# Signature Massages

1,900.-  
90 mins.

2,300.-  
120 mins.

## Eranda Signature Massage(90-120mins)

This popular massage combines influences from East and West and provides a sensual and rewarding experience. Your therapist expertly uses their hands and arms in a rolling motion which results in an exquisite and totally relaxing full-body massage. You'll enjoy the therapeutic value of the traditional Thai massage techniques which are incorporated with the healing and relaxing properties of the essential oils.

2,300.-  
120 mins.

## Eranda Sport Kyo-Dai Massage (120mins)

This is a unique massage combining traditional Thai techniques with an oil massage. It will relieve aches and pains throughout the body and the therapist will focus on the specific needs of each individual.

3,600.-  
120 mins.

## Hot Stone Therapy Massage (120 mins)

Water-treated stones are placed in strategic sites on the body to promote relaxation and to help open up meridians or energy lines. The heated stones make deep tissue manipulation easier to perform and they also assist in the release of toxins, improve the circulation and help sufferers of insomnia.
